Dear The Federal Communications Commission,

Congratulations on your appointment to Chair the FCC. In your new leadership role, I urge you to support No More Taxes as a solution to current concerns with the Universal Service Fund (USF). No more taxes will keep the USF fair, ensuring that consumers like me will be able to afford a phone.

I urge you to keep the USF fair, and adopt no more taxes, on phone service and VOIP. Higher taxes for the consumer will only benefit the large telco's, and hurt the emerging VOIP companies. Thank you, and best of luck in your new position.
